HOW STANDINGS ARE FIGURED

Each game is worth a set number of points, usually 5 for a win, 3 for a tie and 1 for a loss. In some tournament games the point value is higher, either 6-4-2 or, in some cases, 7-5-3. There are a few tournament games where a winner must be determined and therefore the game can go into overtime in those games only. That is a three-minute period. If the game remains tied, there is a sudden death (first team to score), untimed second overtime.

If a player or coach receives an unsportsmanlike technical foul, a standings point is deducted from that team's total points. If a team forfeits a game (does not show up with at least four players by five minutes after the scheduled game time, or cannot field more than three players at any time during the game, the receive zero standings points for that game.
